How to read this document: This guide explains what the Sunrise Public School management system does in clear, everyday terms. For every section, it details *"What You Can View"* (the exact information, tables, and summaries shown on the screen) and *"What You Can Do"* (the tasks, approvals, exports, and actions you can perform).

PART 1 Operational Features: Available on the Website Today

1. Executive Dashboard & Leadership Command Center

/dashboard

👁 WHAT YOU CAN VIEW

- **School Vital Signs:** Live counts of Total Students (100), Active Teachers (12), Classrooms (10), and Total Realized Fees (₹4,72,890.00).
- **Fees Overview Card:** Real-time split showing *Fees Collected* (49%) vs *Fees Remaining* (₹5,00,040.00) with a visual progress bar.
- **Grievance Activity:** Live counter chips showing Open, In Progress, and Resolved complaints from teachers and parents.
- **Quick Notice & Holiday Board:** Summary of upcoming official school holidays and recent parent circulars.

⚡ WHAT YOU CAN DO

- **Click "Fees Remaining":** Instantly opens a complete roster of all students with pending fee dues.
- **Export Defaulters Report:** Download a full 10-column spreadsheet report with one click, showing pending amounts, due dates, and grand total.
- **Open Grievances:** Click any complaint to read the full conversation thread between parents, teachers, and leadership.
- **Reply & Assign:** Write a response back to the parent/teacher, assign the ticket to another staff member, and mark it resolved.

2. New Student Admissions & Seat Intake Management

/admission

👁 WHAT YOU CAN VIEW

- **Class Seat Capacity:** Exact approved seats, enrolled children, and remaining vacancies for each grade (Nursery through Class 10).
- **Admission Funnel:** Visual drop-off funnel showing how many leads moved from Inquiry → Application → Test → Offer → Final Enrolment.
- **Active Academic Cycle:** Which session is currently accepting applications (e.g. 2025-26 or 2026-27).

⚡ WHAT YOU CAN DO

- **Edit Class Capacities:** Adjust the maximum seat ceiling for any class as physical room availability permits.
- **Monitor Over-Enrolment:** The system automatically blocks admitting more children than the physical seat cap allows.
- **Track Cycle Progress:** Inspect conversion percentages to know which classes still have vacant seats.

3. Walk-In & Phone Inquiry Register

/admission/enquiries

👁 WHAT YOU CAN VIEW

- **Inquiry Log:** Chronological log of visiting parents, telephone queries, prospective student names, and desired class.
- **Follow-Up Notes:** Detailed conversation history recorded by reception staff (e.g. "Parent called asking for fee structure").
- **Status Badges:** Whether the inquiry is New, Followed-up, Converted, or Disqualified.

⚡ WHAT YOU CAN DO

- **Log Walk-In Visits:** Receptionists can record parent phone numbers and questions within 30 seconds.
- **Record Follow-Ups:** Schedule call-back reminders and log staff notes directly onto the parent's file.
- **One-Click Conversion:** Click "Convert to Application" to prefill the formal admission form without re-typing details.

4. Complete 360° Applicant Dossier

/admission/applications

👁 WHAT YOU CAN VIEW
